

LATINO/A/E DESCENT COLLEGE STUDENTS!

Participate in an online research study & earn a \$10 Amazon gift card!

To qualify for this study you must:

- Identify as Latino/a/e Descent
- Be between 18-25 years old
- Be currently enrolled in college (in the U.S.)
- Have a college email address
- Be bilingual in English & Spanish
- Experience translating for caregivers

The purpose of this study is to learn how translating for caregivers can impact Latino/a/e descent college students' mental health.

If interested, please email LatinxResiliency@gmail.com to complete the survey. (Email is linked in QR code)

This survey has been approved by the Human Research Protection Program at Texas Tech University
